I am a graduated general surgeon with a passion for GI endoscopy. My professional profile is oriented towards oncology. I have undergone international training in both France and South Korea, and I am currently enrolled in the WEO's Emerging Starts program while studying for a master's degree.

Work experience

AUG 2017 – NOV 2024

GI Endoscopist | Barretos Cancer Hospital, Barretos, Sao Paulo - Brazil

Endoscopist practicing advanced endoscopy.

- Diagnostic and therapeutic EUS, ERCP, GI tract stenting, mediastinal EUS, and EBUS.
- Polypectomies and EMRs are routinely conducted as part of one of the largest public colorectal cancer surveillance programs in Brazil.

AUG 2017 – FEB 2018

GI Endoscopist | São Luiz - Rede D'Or, Sao Paulo - Brazil

Responsible for routine diagnostic endoscopic ultrasound.

- Practicing endoscopic ultrasound in a private setting with a high volume of EUS-FNA cases.

APR 2017 – FEB 2018

GI Endoscopist | Prevent Senior Luiz - Rede D'Or, Sao Paulo - Brazil

Worked in the colonoscopy department at one of Brazil's largest health insurance hospitals, specifically with Prevent Senior insurance, which focuses on the healthcare needs of elderly patients.

- Gained experience with lengthy and challenging colonoscopies

MAR 2016 – MAR 2018

GI Endoscopist | Dr. Moysés Deutsch Municipal Hospital, Sao Paulo - Brazil

Endoscopist responsible for endoscopic urgencies

- Hospital reference for urgent cases, such as bleeding and foreign bodies.

Volunteer Positions

MAR 2022 – NOV 2024

GI Endoscopy Residency Program Director | Barretos Cancer Hospital, Barretos, Sao Paulo - Brazil

Director of the residency program on GI Endoscopy.

MARCH 2023 – OCT 2024

Member | Ethics Committee - Barretos Cancer Hospital, Barretos, Sao Paulo - Brazil

Working with the Ethics Committee, representing the Brazilian Medical Society within Barretos Cancer Hospital.

AUG 2017 – NOV 2024

GI Endoscopist | Tumor Board – Department of Surgery, Department of Endoscopy - Barretos Cancer Hospital, Barretos, Sao Paulo - Brazil

Discussion of challenging cases in multidisciplinary meetings.

Formal Education

SEPT 2023 – PRESENT

Master's student | Institute for Teaching and Research, Barretos Cancer Hospital, Barretos - Brazil

Pursuing advanced studies in Pancreatic Cancer Molecular Characteristics at the Institute for Teaching and Research, Barretos Cancer Hospital.

- Thesis title: Assessment of KRAS Mutation Frequency in Pancreatic Cancer and Its Potential as a Diagnostic Biomarker in Liquid Biopsy
- Thesis defense schedule: the second semester of 2025.

MAR 2016 – MAR 2017

Endoscopic Ultrasound Residency | Santa Casa de Sao Paulo College of Medical Sciences, *Sao Paulo, Brazil and Marseille, France (details in the Training Section)*

MAR 2014 – MAR 2016

GI Endoscopy Residency | Santa Casa de São Paulo College of Medical Sciences, *Sao Paulo, Brazil*

MAR 2012 – MAR 2014

General Surgery Residency | Pontifícia Universidade Católica de São Paulo (PUC-SP), *Sorocaba, Brazil*

JAN 2006 – JAN 2011

Medical Degree | Pontifícia Universidade Católica de São Paulo (PUC-SP), *Sorocaba, Brazil*

Awards

JUL 2024

Best Abstract Award Grant | ENDO 2024, *Seoul, South Korea*.

World Congress of GI Endoscopy.

- “EUS-guided Gastroenterostomy vs. Enteral Stenting for Malignant Gastric Outlet Obstruction: A Systematic Review and Meta-Analysis”.

Conferences as Lecturer

MAR 2025

Faculty | EURO-EUS / Next-Generation EUS – San Raffaele Scientific Institute, *Milan, Italy*
European EUS conference directed by Paolo Giorgio Arcidiacono.

- Presented about research, networking, and consensus building.

AUG 2024

Faculty | 1ST São Paulo Meeting of SOBED Endoscopy Training Centers 2024 - University of Sao Paulo Faculty of Medicine - Clinics Hospital, *Sao Paulo, Brazil*

The Brazilian Society of GI Endoscopy organized the first meeting of São Paulo state residents.

- Presented a lecture about post-ERCP pancreatitis.

OCT 2018

Faculty | EUS Summit 2018 & WISE 2018 (Module III) & 17th KSGE EUS Hands-on Workshop, ASAN Medical Center, *Seoul, South Korea*.

The EUS Summit 2018 in Seoul focused on advanced EUS-guided interventions and diagnostic techniques, with lectures and hands-on training for experts and trainees across Asia.

- Presented on “Endoscopic Ultrasound Anatomy of the Pancreatobiliary System in a Swine Model: The WISE experience.”

Other Teaching Experiences in Events

MAR 2018 – NOV 2024

Faculty | IRCAD Latin America, *Barretos, Brazil*

IRCAD Latin America Barreto’s facility hosts two international GI endoscopy courses yearly: one on ESD and the other on pancreatobiliary endoscopy.

EVENTS

Associate Faculty | Brazilian Society of Endoscopy, *Brazil*

Teaching with the SOBED (Brazilian Society of Digestive Endoscopy) during training program events.

Editorial Experience

Peer-Reviewer for Gastrointestinal Endoscopy Journal and Surgical Endoscopy Journal.

Other Training

JAN 2025 – DEC 2027

Trainee | World Endoscopy Organization (WEO) – Emerging Stars

The Emerging Stars initiative, organized by the WEO Education Committee, aims to equip a select group of promising young doctors with the skills necessary to become leaders in digestive endoscopy. This program seeks to establish a network of "next generation" expert endoscopists and is structured around a curriculum that includes three training modules (<https://www.worldendo.org/education/emerging-stars>)

- The first event took place in Munich at the end of February 2025.

MAR 2018 – FEB 2019

Trainee | WISE (WEO International School of EUS), ASAN Medical Center, *Seoul, South Korea*.

One-year state-of-the-art Endoscopic Ultrasound (EUS) training program by the WEO under Professor Dong-Wan Seo's direction. The program focused on a specialized group of early-career doctors. Covering basic anatomy to interventional EUS, it comprised lectures, case presentations, and hands-on training with phantoms, as well as live animals.

(<http://www.worldendo.org/education/weo-international-school-of-eus-wise/>)

- Developing new skills in EUS drainages and enhancing techniques in FNA and anatomy delineation
- Great opportunity to practice in high-end training centers under the mentorship of Prof. Seo.

JAN 2016 – MAR 2016 AND AUG 2016 – OCT 2016

Trainee | Paoli-Calmettes Institute, *Marseille, France*.

Part of a special training program for endoscopic ultrasound under the guidance of renowned Dr. Marc Giovannini. One of the major Hospitals of France. Development of diagnostic and therapeutic techniques for EUS.
