

Conferences

Digestive Disease Week (DDW) Speaker & Moderator; 2025 - San Diego, USA

- State-of-the-art: endoscopic management of cholecystitis
- Moderated ERCP session

EUROEUS (Next Generation EUS) Speaker & Moderator; 2025 Milan, Italy

- Presented on research collaboration, and networking, in endoscopy
- Moderated live endoscopy sessions

EUS Summit and 17th KSGE EUS Hands-on Workshop, ASAN Medical Center; 2018 Seoul, South Korea

- Presented "Endoscopic Ultrasound Anatomy of the Pancreatobiliary System in a Swine Model: The WISE experience."

Professional summary

General surgeon specialized in advanced GI endoscopy with a focus on oncology. Trained internationally in France under Marc Giovannini, MD. Seven years of experience at Barretos Cancer Hospital and currently practicing at ICESP/FMUSP in São Paulo, under the leadership of Fauze Maluf-Filho, MD, PhD. Alumnus of the WEO International School of EUS (WISE) under Dong-Wan Seo, MD, PhD and current member of the WEO Emerging Stars program. Master's degree in progress.

Experience

Advanced GI Endoscopist 2026 - Present *Institute of Cancer (ICESP), FMUSP* São Paulo, Brazil

- Performs advanced endoscopic procedures in a tertiary oncology center.
- Participates in multidisciplinary oncologic care and fellows education.

Advanced GI Endoscopist 2017 - 2024 *Barretos Cancer Hospital* Barretos, Brazil

- Diagnostic and therapeutic EUS, ERCP, EBUS, and GI stenting.
- Experience in oncology-focused endoscopy within a multidisciplinary cancer center.
- Participation in one of Brazil's largest colorectal cancer surveillance programs.

GI Endoscopist 2025 - Present *Moriah Hospital and São Luiz system* São Paulo, Brazil

- Performs advanced endoscopic procedures with focus on EUS and ERCP.
- Clinical practice in a high-volume private hospital setting.

Education

Master's Degree Candidate 2023 - Present *Institute for Teaching and Research, Barretos Cancer Hospital* Barretos, Brazil

- Pancreatic adenocarcinoma molecular characteristics and liquid biopsy
- Thesis evaluating KRAS mutation frequency in pancreatic cancer and its diagnostic potential

Endoscopic Ultrasound Residency 2016 - 2017 *Santa Casa de São Paulo School of Medical Sciences* São Paulo, Brazil

- Training in endoscopic ultrasound
- International exposure with complementary training in Marseille, France

GI Endoscopy Residency 2014 - 2016 *Santa Casa de São Paulo School of Medical Sciences* São Paulo, Brazil

- Comprehensive training in diagnostic and therapeutic GI endoscopy
- Early experience in EUS

General Surgery Residency 2012 - 2014 *Pontificia Universidade Católica de São Paulo (PUC-SP)* Sorocaba, Brazil

- General surgery training with exposure to high volume trauma referral center
- Development of multidisciplinary perioperative and procedural management skills

Doctor of Medicine (MD) 2006 - 2011 *Pontificia Universidade Católica de São Paulo (PUC-SP)* Sorocaba, Brazil

- Medical doctor degree

meta-analysis of randomized controlled trials. *Gastrointestinal Endoscopy*. 2024.

International training

WEO Emerging Stars Program

2025 - Present

World Endoscopy Organization (WEO)

- International leadership initiative for promising early-career endoscopists.
- Modules focused on innovation, negotiation, and leadership.
- International collaboration with faculty and trainees from multiple countries.

WEO International School of EUS (WISE)

2018 - 2019

ASAN Medical Center

Seoul, South Korea

- EUS training program at ASAN Medical Center under Prof. Dong-Wan Seo.
- Hands-on exposure to interventional EUS, anatomy delineation, and advanced drainage procedures with a swine model lab.

Endoscopic Ultrasound Training

2016

Paoli-Calmettes Institute

Marseille, France

- Specialized endoscopic ultrasound training under Dr. Marc Giovannini.
- Exposure to advanced diagnostic and therapeutic EUS and ERCP techniques.
- International clinical experience in a leading French referral center.

Volunteer Positions & Academic Appointments

GI Endoscopy Department Representative

2017 – 2024

Barretos Cancer Hospital Tumor Board

GI Endoscopy Residency Program Director

2022 – 2024

Barretos Cancer Hospital

Ethics Committee Member

2023 – 2024

Barretos Cancer Hospital

WEO Alumni Committee Member

2025 – Present

World Endoscopy Organization (WEO)

Other Teaching Experiences in Events

IRCAD Latin America

2018 - 2024

Pancreatobiliary endoscopy and ESD courses

- Local faculty for hands-on teaching and training.
- Pancreatobiliary endoscopy course (Celso Ardengh, MD, PhD).
- ESD course (Paulo Sakai, MD and Nelson Miyajima, MD).

Brazilian Society of Endoscopy (SOBED)

2022 - 2024

Training programs and Residents meetings

- Local faculty for hands-on teaching and training on “SOBED workshop” (Barretos and São José do Rio Preto).
- Speaker on the 1ST São Paulo Meeting of SOBED Endoscopy Training Centers.

APAGE-ELC Webinar Series

2022 - 2024

- Asian Pacific Association of Gastroenterology (APAGE) Emerging Leaders Committee (ELC) online event*
- Panelist on “Role of Cholangioscopy in Biliary Strictures: Current Concepts, Controversies, and Innovations” and “US-guided gallbladder drainage: When, Where, and How?”

Awards

Best Abstract Award Grant

2024

ENDO 2024, Seoul, South Korea - World Congress of GI Endoscopy

- “EUS-guided Gastroenterostomy vs. Enteral Stenting for Malignant Gastric Outlet Obstruction: A Systematic Review and Meta-Analysis”.
